Overview

Do you thrive on variety and enjoy hands-on work? Our Fabrication & Assembly position at Chaseburg Manufacturing Inc. (CMI) may be the perfect fit for you! At CMI, we design and build custom metal fabrication projects and manufacture the SCRUSHER® Boot and Shoe Cleaner. Our work includes welding, laser cutting, forming, bending, assembly, and painting.

Responsibilities

- Fabricate metal components for commercial buildings, homes, construction equipment, and agricultural equipment.
- Assemble and fabricate SCRUSHER® Boot and Shoe Cleaners.
- Accurately read and interpret blueprints.
- Perform manual tasks requiring strong dexterity and attention to detail.
- Lift up to 40 lbs. overhead.
- Work effectively within a small, dedicated team.
- Communicate ideas, corrections, and improvements with team members.
- Maintain organization and quality standards in all work.
- Perform additional company functions as needed.
- Participate in provided training to grow skills.

Skills & Qualifications

- Strong attention to detail and commitment to quality.
- Experience with welding (certifications a plus).
- Skilled in using hand tools and power tools.

- Familiarity with assembly line processes.
- Mechanical knowledge and ability to read technical drawings.
- Forklift experience is a plus.
- Delivery experience to business locations is a plus.
- Able to work independently and collaboratively in a fast-paced environment.

Education & Experience

- Previous manufacturing experience preferred.
- High school diploma or equivalent.
- Strong math skills, including accurate measurement.
- Valid driver's license preferred.

Why Work With Us

At Chaseburg Manufacturing Inc., we value teamwork, growth, and innovation. We know no one has all the answers—but by working together and supporting each other, we expand our skills, strengthen our team, and build exceptional products. If you're seeking a dynamic work environment where you can learn, grow, and make an impact, we encourage you to apply!
